PRAYER FOR VOCATIONS

Lord Jesus, Good Shepherd,
You who have offered Your life
that all may have life,
enable us to bear witness to it
and to communicate it to others.

Give Your Holy Spirit to all those
who are consecrated to You
for the Service of the Church,
that they may foster the arising and
the development of new vocations.

Enlighten families and, in particular,
young women in their choices.
Help them when they are troubled,
support them in their faithfulness,
may they always be willing and brave
in offering their lives
according to Your example.

Guide us to assiduous attendance
of the Holy Eucharist,
to know You deeply
and to encounter the light
and the joy of the Resurrection.

With the help of Mary,
make us proclaimers of the Gospel
that we may sow the future kingdom
of justice, love and peace.
Amen!
