PRAYER**
STAY WITH US JESUS

Stay with us Jesus,
make a gift of yourself and give us the bread
that nourishes us for eternal life!

Free this world
from the poison of evil, violence
and hatred that pollute consciences,
purify it with the power
of your merciful love.

And you, Mary,
who were the woman “of the Eucharist”
throughout your life,
help us to walk united
towards the heavenly goal,
nourished by the Body and Blood of Christ,
the eternal Bread of life
and medicine of divine immortality.
Amen!

Benedict XVI
